SKILLS

Frontend Developer

Throughout my career as a front-end developer, I have gained valuable experience and honed my skills in creating visually stunning and user-friendly web interfaces. I have a strong command of HTML, CSS, and JavaScript, and I am proficient in using modern front-end frameworks like Vue.

Backend Developer

My journey as a backend developer, I have acquired a wealth of experience and expertise in designing and developing robust and scalable web applications. I have a strong command of server-side programming languages such as PHP Laravel, and I am proficient in working with databases MySQL.

Wordpress Developer

As a WordPress developer with a specialization in WooCommerce, I have extensive experience in creating e-commerce websites from the ground up. I possess in-depth knowledge of WordPress and WooCommerce, allowing me to build robust and feature-rich online stores that drive sales and enhance the user experience.
